ELEVEN YEARS

The Standard Paint Co., New York:

Dear Sirs—We have a building covered with your Two-ply Ruberoid Roofing in 1892. Since that time it has never been coated over and today it is comparatively as good condition as ever. In making alterations we have removed part of this roofing, a small section of which we are sending you for inspection, as it shows hardly any deterioration. Yours truly,

Where Price and Quality Go Hand in Hand

Demon No Longer

From time immemorial pie has been dubbed "The Demon of the American Pantry." Did you ever stop to think why this is so? It must be because some ingredient in the pie-crust is impure. Did the thought ever strike you that the impure thing might be the Lard used in the pie-crust?

Our Steam Rendered Lard

is prepared upon our premises and is absolutely pure. Used in your pie-crust, your pie will be "demon" no longer.
